***if your school uses "enrollment certification forms" be sure to get certification forms for both fall and spring semesters.**

Note: If a student attended a different school during the fall and wishes to receive points for the fall semester, you need to complete and fax a separate form for that school.

The NPTE allows debaters to participate at the NPTE who have graduated in the fall semester/quarter of this school year.

**Please send this completed form to Rebecca Sietman, NPTE President, at
rebecca.sietman@wheaton.edu**

Deadline for emailing this form is March 4, 2019.
